

# BioG-Max Multi +

Ultimate Multi-Vitamin Blend

## Key Ingredients

**Antioxidants.** Daily antioxidant intake has never been more important with the current standard American diet. By providing exquisite support to the body as it fights against oxidative stress, tissue breakdown, and metabolic disease, Multi+ plus promotes optimal levels of inflammation and healthy aging

**Water Soluble Vitamins.** Required in frequent, small doses, these vitamins support the body as it metabolizes macronutrients in energy metabolism, creates and repairs DNA, and develops and maintains new cells and tissue. The water soluble profile in Multi+ consists of the most bioavailable form of each vitamin.

**Fat Soluble Vitamins.** To provide phenomenal support to the body as it promotes optimal immune function, healthy membrane and tissue integrity, and ideal hormone balance, Multi+ houses potent bioactive forms of each fat soluble vitamin.

## Benefits of Product

Unlike standard blends in the marketplace, Biogenetix utilizes the most absorbable, stable and metabolically active forms of all of our basic vitamins. The Multi + formula contains highly bioactive B vitamins, Vitamin D3, both forms of Vitamin K, Vitamin C for gastro-intestinal sensitivities, Trimethylglycine to support methylation and liver detoxification, Tocotrienols (part of the vitamin E family) as a phenomenally potent antioxidant, and three specialized carotenoids to broaden that antioxidant protection in supporting healthy physiology.

- **Protects Against Oxidative Damage**
- **Stimulate Metabolism**
- **Supports Internal Systems**

## Supplement Facts

Serving Size: 5.0 mL (1 tsp.)  
Servings per Container: 20

	Amount per serving	% Daily Value
Vitamin A (as palmitate 86%, beta carotene)	7890 IU	158%
Vitamin C (as sodium ascorbate)	110 mg	183%
Vitamin D (as cholecalcified)(D3)	2500 IU	625%
Vitamin E (as natural mixed tocopherols, tocopherol)	34 IU	56%
Vitamin K (as K2 (MK7), K1 (phytonadine))	90 mcg	113%
Thiamin (Vitamin B1)(thiamine hydrochloride)	12.5 mg	833%
Niacin (as niacin, niacinamide)	10 mg	50%
Vitamin B6 (as pyridoxine hydrochloride)	6.75 mg	375%
Folate (as calcium folinate)	500 mcg	125%
Vitamin B12 (as methylcobalamin)	500 mcg	8333%
Biotin	500 mcg	167%
Pantothenic acid (as calcium d-pantothenate)	25 mg	250%
Sodium (as sodium ascorbate)	10 mg	<2%
Trimethylglycine (from betaine)	20 mg	**
Riboflavin-5-Phosphate (coenzyme vitamin B2)	6.75 mg	**
Proprietary Blend phospholipids (from purified sunflower seed lecithin), liquid milk thistle seed extract, tocotrienols (from annatto), lycopene, zeaxanthin, lutein	363 mg	**
Daily Values are based on a 2,000 calorie diet ** Daily Value (DV) not established.		

**Other Ingredients:** Water, Glycerin, Ethanol, EDTA (as preservative), Natural Citrus Oil, and Natural Flavoring  
**DOES NOT CONTAIN:** Sugar, wheat, casein, gluten, milk, egg, preservatives, yeast, artificial flavorings, colorings, peanuts, tree nuts or fish.
