

Binder Pro

Optimize Body Detoxification

Benefits of Product

You will not find another universal binder that has an equal affinity for harmful compounds, period. Our robust blend of naturally occurring materials can effectively support the capture of a broad spectrum of environmental contaminants patients are exposed to in everyday life.

- **Support proper detoxification activity**
- **Capture the widest spectrum of everyday environmental contaminants**
- **Promote ideal gut function**
- **Safely support the binding of mercury with world-famous IMD**

Key Ingredients

IMD. A backbone to the Binder Pro technology, IMD (intestinal metal detox) promotes optimal elimination of heavy metals through the intestines. IMD supports the restoration of blocked detoxification pathways and promotes proper levels of intestinal inflammation.

Activated Charcoal. The classic, porous, binder has been blended into Binder Pro for its unique ability to capture lipopolysaccharides (LPS). Many chronic conditions spin out of control as patients live with unchecked LPS. LPS have the capacity to trigger the systemic inflammatory reactions that make many chronic diseases unbearable for patients to live with.

Bentonite Clay. Bentonite clay is the result of aging volcanic ash. It's been blended into Binder Pro as a broad-spectrum support used in capturing negatively charged toxin. Bentonite clay specifically targets pesticides and other organotoxins, as well as lead and trace minerals.

Supplement Facts		
Serving Size: 1 Rounded Tsp (4 grams) Servings per Container: 30		
	Amount per serving	% Daily Value
Dietary Fiber	1g	4%
Fiber/Clay Proprietary Blend: Fibregum Bio (gum Arabic), Zeolite, Sodium Bentonite Clay	1.36g	**
Proprietary Blend Activated Charcoal, Chitosan, BioAloe Aloe Vera leaf, Silica extract*	2.64g	**
The % Daily Value tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.		
* IMD (Proprietary thiol-functionalized silica)		
** Daily Value (DV) not established.		

DOES NOT CONTAIN: Sugar, wheat, casein, gluten, milk, egg, preservatives, yeast, artificial flavorings, colorings, peanuts, tree nuts or fish.
