

# UltraBiotix

Professional Strength Probiotic

## Benefits of Product

UltraBiotix is a vegetarian, dairy- and gluten-free, four-strain probiotic totaling 100 billion CFU† per capsule. Each vegetarian capsule is sealed in nitrogen-purged aluminum blister packs to serve as protection from factors proven to compromise the stability of probiotics such as heat, moisture, and oxygen. UltraBiotix provides four researched strains of beneficial bacteria, including the extensively studied HN019® strain of *Bifidobacterium lactis*. These live microorganisms have proven health benefits and well-established safety, and have been tested for epithelial cell adhesion and/or resistance to low pH.\*

To further support resistance to low pH and the delivery of microorganisms to the small intestines, Biogenetix employs DRcaps™ gastro-resistant capsules. These specially designed, innovative capsules help slow exposure of actives to stomach acid and ensure more targeted release.

## Key Ingredients

**HOWARU.** Discovered in 1899, B lactis play a key role in the human microflora throughout a person's life. Researchers have identified strain HN019® as having excellent probiotic potential based upon its ability to survive the transit through the human gastrointestinal tract, adhere to epithelial cells, and proliferate.

**Lactobacillus acidophilus.** This common inhabitant of the human mouth, intestinal tract, and vagina, is also found in some traditional fermented milks (e.g., kefir) and is widely used in probiotic foods and supplements. L acidophilus shows excellent adhesion to human epithelial cell-lines.

**Lactobacillus plantarum.** This bacteria was isolated from plant material and is abundantly present in lactic acid-fermented foods, such as olives and sauerkraut. L plantarum is resistant to low pH conditions and survives the presence of bile at duodenal concentrations.

**Bifidobacterium longum.** B longum is resistant to low pH and bile salts and is well suited to the intestinal environment.

- Support Metabolic Activity
- Optimize Immune Function
- Promote Internal Balance

## Supplement Facts\*\*

Serving Size: 1 Capsule  
Servings per Container: 30

	Amount per serving	% Daily Value
Proprietary Blend	409 mg (50 Billion CFU)	**
<i>Lactobacillus acidophilus</i> La-14 <i>Bifidobacterium longum</i> BI-05 <i>Lactobacillus plantarum</i> Lp-115		
HOWARU Bifido	167 mg (50 Billion CFU)	**
<i>(Bifidobacterium lactis</i> HNO19)		

\*\* Daily Value (DV) not established.

**Other Ingredients:** HPMC (acid-resistant capsule), microcrystalline cellulose, magnesium stearate, and silica..

**DOES NOT CONTAIN:** Wheat, gluten, soy, animal or dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, or artificial preservatives.
