

BioG-Max Resveratrol

Professional Grade Liposomal Resveratrol

Biogenetix
Nutrition Uncompromised

PRODUCT BENEFITS

- Supports Cardiovascular Health
- Anti-inflammatory properties
- Supports immune function
- Supports blood vessel health
- Neuro-protective properties
- Supports healthy aging
- Intraoral delivery for best systemic availability

Biogenetix's BioG-Max Resveratrol Nanosphere Delivery System brings the power of intravenous therapy into a convenient oral delivery. Our delivery system improves upon common liposomal technology with smaller, more stable, single-layer spheres made from the highest-grade ingredients available. In addition to exceptional absorption rates, nanospheres like these have demonstrated the ability to cross the blood-brain barrier, deposit their cargo intracellularly and enter lymphatic circulation.

Additionally, the phospholipids that compose the nanosphere shell feed the cell membranes. This ensures the proper function for the absorption of nutrients and therefore greatly enhances bioavailability.

DIRECTIONS FOR USE

Take 1 to 2 pumps (2 pumps is 1 mL) by mouth. Hold in mouth 60–90 seconds before swallowing. Repeat to desired dosage or as directed by a health care professional. Take on an empty stomach, at least 10 minutes before meal. If pregnant, consult physician before use.

KEY INGREDIENTS

Resveratrol (3,4',5-Trihydroxystilbene) belongs to a class of polyphenolic compounds called stilbenes. Resveratrol is found in grapes, wine, grape juice, peanuts, cocoa, and berries of *Vaccinium* species, including blueberries, bilberries, and cranberries. Since the early 1990s, when the presence of resveratrol in red wine was established, the scientific community has been exploring the effects of resveratrol on health. Resveratrol has been shown to support cardiovascular health, immune function, inflammation, neuroprotection, as well as other biological processes.

SUPPLEMENT FACTS

| Serving size: 2 Pumps (1 mL) | Amount | % Daily |
|--|-------------|---------|
| Servings per container: 50 | Per Serving | Value |
| Resveratrol (from Japanese knotweed extract) | 15 mg | ** |

** Daily Value Not Established

Other Ingredients: Glycerin, water, ethanol, medium chain triglycerides, tocopherols, highly purified phospholipids, natural mixed tocopherols.

STORAGE

Store at room temperature.
