

# Super G Antioxidant

Supports Healthy Inflammatory Response

## PRODUCT BENEFITS

- Supports Improved Antioxidant Activity
- Supports Immune Function
- Supports Memory and Cognition
- Promotes Enhanced Liver Detoxification

Super G Antioxidant is a unique professional formula that not only provides the powerful antioxidant properties of glutathione but also supplies key ingredients required for the synthesis and recycling of glutathione.

## DIRECTIONS FOR USE

Take 1 capsule 3 times per day, or as directed by your health care professional.

## STORAGE

Store in a cool, dry place away from direct sunlight. Product from unopened containers that have been stored under recommended conditions (55-85° F / 13-29° C) may be used for up to 36 months.

## WARNING

Consult your health care professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use if safety seal is broken or missing. Keep out of reach of children.
