

Binder Pro

Broad-Spectrum Multi-Toxin Binder

PRODUCT BENEFITS*

- Support proper detoxification activity
- Capture the widest spectrum of everyday environmental contaminants
- Promote ideal gut function
- Safely support the binding of mercury with world-famous IMD

You will not find another universal binder that has an equal affinity for harmful compounds, period. Our robust blend of naturally occurring materials can effectively support the capture of a broad spectrum of environmental contaminants patients are exposed to in everyday life.

KEY INGREDIENTS

Proprietary blend of charcoal, chitosan, zeolite, and bentonite clay: optimally designed to capture heavy metals, pesticides, herbicides, hormone mimics, food additives, mold, and microbial toxins.

DIRECTIONS FOR USE

Take 4 capsules with 8 ounces of water once daily or as directed by a health care professional. Take 30 minutes before or 2 hours after meals or medications. If pregnant, breastfeeding or planning to become pregnant, consult your physician before use.

STORAGE

Store at room temperature.

WARNING

This product can expose you to chemicals including lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
