

Omega-3 Flex

3X Greater EPA/DHA Absorption Rate

Biogenetix
Nutrition Uncompromised

PRODUCT BENEFITS*

- Clinically shown to deliver **3.14x** higher blood omega-3 levels compared to other forms, reflecting superior absorption and bioavailability.*
- Advanced **MAG-O3®** delivery technology bypasses normal fat digestion for enhanced absorption and a gentle, taste-free experience—even for those with digestive challenges.*
- Supports healthy heart function, brain health, and metabolic balance through clinically relevant **EPA and DHA** delivery.*

Omega-3 Flex is a high-potency, highly absorbable omega-3 supplement featuring MAG-O3® monoglyceride fish oil technology. This innovative delivery system enhances omega-3 absorption, ensuring optimal bioavailability and efficacy.*

Omega-3 Flex is formulated with MAG-O3® Omega-3 monoglyceride technology, a patented delivery system that enhances the absorption of EPA and DHA. This advanced formulation provides a superior alternative to traditional triglyceride (TG) and ethyl ester (EE) fish oils, ensuring optimal omega-3 benefits for heart, brain, and overall health.*

MAG-O3® features a “predigested” form of omega-3s, delivering them as monoglycerides that bypass the usual fatty acid breakdown process. This allows for more efficient absorption, making it an ideal choice for individuals with digestive challenges or those looking to maximize the benefits of their omega-3 intake. Additionally, its superior digestibility helps minimize fishy aftertaste and burps, ensuring a more pleasant experience with daily supplementation.*

SUPPLEMENT FACTS

Serving size: 2 Softgels Servings per container: 60	Amount Per Serving	% Daily Value
Calories	16	
MAG-O3® Fish Oil Concentrate	1,610 mg	**
Total Omega-3 Fatty Acids	1,140 mg	**
EPA (eicosapentaenoic acid)	640 mg	**
DHA (docosahexaenoic acid)	400 mg	**
DPA (docosapentaenoic acid)	56 mg	**

** Daily Value Not Established

Other Ingredients: MAG-O3® fish oil, bovine gelatin, glycerin, purified water, lemon essential oil, and mixed tocopherols (non GMO).

Key Features & Benefits

Clinically shown to deliver 3.14 times higher blood omega-3 levels compared to ethyl ester forms.*

3.14x HIGHER ABSORPTION

Omega-3 Flex meets the highest purity standards & is third-party tested for:

- Heavy Metals (Mercury, Lead, Arsenic, Cadmium)
- Oxidation Markers (Peroxide, Anisidine, TOTOX)
- PCBs, Dioxins, and Furans

Omega-3 Flex undergoes rigorous third-party testing to confirm purity, potency, and freshness. Advanced purification and refining processes help preserve the natural integrity of omega-3 fatty acids while maintaining exceptional stability and sensory quality. The result is a clean, high-potency omega-3 oil that meets demanding professional standards without compromising safety, performance, or sourcing ethics.*

Quality Assurances

Biogenetix products are crafted in a GMP certified facility. Third-party lab testing ensures stringent quality standards, and our procurement team sources only the highest quality, professional-grade ingredients. Your well-being is our priority.

DIRECTIONS FOR USE

Take two softgels daily, or as directed by your health care professional.

STORAGE

Keep closed in a cool, dry place out of reach of children.

WARNING

Consult your health care professional prior to use. Individuals taking blood thinners or other medication should discuss potential interactions with their health care professional. Do not use if tamper seal is damaged.
