

# Cardio Support Bundle

A nutrient-rich program designed to support healthy cardiovascular function.

Coming along side an anti-inflammatory lifestyle, the Cardio Support Bundle brings a unique blend of herbs and antioxidants to patient care in an easy-to-use format.

## SUPPORTING YOUR CARDIOVASCULAR SYSTEM BY:

- Supporting healthy veins, capillaries, and circulation
- Promoting optimal lymphatic drainage
- Providing targeted antioxidant support
- Promoting blood glucose metabolism
- Supporting healthy fibrin levels
- Enhancing healthy blood flow

This bundle supports the ideal metabolic function, insulin sensitivity, healthy blood lipid metabolism, and the maintenance of normal levels of HbA1c.

Borne out of purpose and a desire to allow the clinician to treat the whole patient, the Cardio Support Bundle provides many of the necessary nutrients needed to support the patient's ability to lead a healthy life.
